

# CALL FOR PAPERS

International Joint Conference on Industrial Engineering and Operations Management

JULY, 18TH TO 20TH

MILITARY ACADEMY OF LISBON - PORTUGAL

Welcome to the 24th IJCIEOM – International Joint Conference on Industrial Engineering and Operations Management. The event is jointly organized with ABEPRO- Adingor -IISE-AIM-ASEM. The Conference motto is: “The Role Of Industrial Engineering and Operations Management in the Digital Transformation Era”.

## Paper Submission

Papers and Extended Abstracts are solicited on topics related to one or several topics of the conference list, but not limited. All papers must follow the formatting rules for Springer Proceedings in Mathematics & Statistics.

The version of papers and abstracts for the double blind and peer-review should be saved in PDF format. The papers and abstracts should be written in English.

We will accept for publication Short Papers (6-7 pages) and Full Papers (10-12 pages), where a page constitutes approximately 300-400 words. All of these options must follow the Springer Templates in order to be published and indexed. To keep consistency, we encourage the authors of extended abstracts to use the same template.

Papers should have a maximum of 5 authors and one of them must be registered after acceptance to get the paper published.

All the accepted and registered papers will be published in Proceedings by Springer, will be submitted for indexation by SCOPUS, WorldCat, Crossref, Google Scholar, among others, and will be available in the Springer Link Digital Library. The submission deadline is March, 3rd.

To submit your paper, click [here](#).

## Topics

- Business Models and Service Science
- Education
- Logistics, Production and Information Systems
- Quality and Product Management
- Operations Management

## Conference publications

Selected Papers presented in the conference will be referred for publication in the following journals and periodical book series, based on topical match:

- Production Journal
- Journal of Cleaner Production
- Management and Production Engineering Review (MPER)
- Other journals are about to be confirmed

## Organizers
